NINTENDO DS Lite

PROTECTOR BAG DS/DS lite ATOMIC

PROTECTOR BAG DS/DS lite ATOMIC

Soft protector bag for Nintendo DS™ and DS™ Lite console.

It protects your console from the falls for more security during the transport.

Three different ways to transport the bag: by hook, by shoulder belt or by passing for belt.

Double hollows: one transports cartridges and accessories, the other for the transport of the console.

Additional pocket in the front side.

Realized in resistant and protecting material. Waterproof.

Closing system by zip.

Available colours: black with silver zip.
